Dear Mr. Lindley,

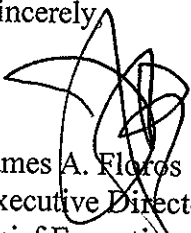

Thank you for your generous donation of \$5,000.00 (received 02/16/2012). Your contribution is very appreciated and will definitely make a difference in the lives of those we serve.

For 40 years the Burn Institute has been delivering fire and burn prevention education to children, adults, care givers, schools, and more, all across San Diego and Imperial counties. In addition, the number of burn survivors and their families seeking assistance from the Institute is almost overwhelming. Your support will ensure that the Institute can meet this demand, which includes our hallmark program - *Camp Beyond the Scars* - for burn-injured children.

Support from caring people like you is why the Burn Institute can continue to provide a high-level of assistance to those who need it – at a time when they need it the most.

On behalf of the families and communities that will benefit from your support, thank you for your dedication and commitment.

Sincerely,

James A. Floros
